

Amsted Referral Program

Amsted is Ottawa's most recognized renovation company, having most recently been named both Ontario and Ottawa Renovator of the Year for 2015. It is exciting to be recognized by the industry for the work we do and the company we are, but we know it is our clients who partner with us in our success. You allow us the opportunity to work with you on creating a home that is unmistakably yours, and you continue to contribute to our success long after we leave, in the way of referrals.

While industry accolades are great, your referrals remain the greatest compliment we can receive. That's why we developed our Referral Program to say THANK YOU!

STEP 1

Refer Us!

The first step in this process is to tell all your family and friends about your experience with Amsted! Each time you refer Amsted and they contact us for a consultation on their renovation, we will send you a gift card for Starbucks.

STEP 2

Keep Referring Us!

After your third referral, we would like to say an extra special thank you for your continued efforts in referring us, by offering a personalized gift. You will have your choice between an Amsted Handyman for a Day, dinner on the town, or a donation in your name to your favourite charity.

STEP 3

Your Referral Turns into a Job!

If we are successful in securing the renovation project of one of your referrals, we will send you a gift certificate for dinner at a local restaurant. Our way of once again thanking you for your role in leading qualified clients to Amsted.

STEP 4

We Celebrate Your Referrals!

Each year we host a Customer Appreciation Night, where we invite everyone who has referred Amsted within the past year. The focus is entirely on thanking you for your continued referrals, and the impact you have on our success!
